Virtual Escape Room

FOWS has teamed up with Salisbury Escape Rooms to bring you a top rated virtual escape room experience, whilst also supporting our school!

Cost: £15. Best news is FOWS will receive £5!

This cost covers a whole team of players of up to 6 people (2-4 is the optimum number). *The game is quite complicated so we recommend it is for adults and children over 12.*

You will need to play on a computer or laptop (not phone or tablet). The game is designed to be played by people located in different houses – you just need to be able to chat to each-other as you play using facetime, zoom, skype or simply a phone-call!

Please place your order before **Wednesday 16th December.**

Step 1: Pay the £15 on SchoolGateway. If you would like to buy more than one feel free – they make a great Christmas present or alternative Christmas party!

Step 2: We will email you an access code and joining instructions.

Step 3: At a time of your choosing, sit down at your computer to login. Assemble your team separately via your phone or tablet.

Step 4: Follow the on-screen instructions to set up your private team game. Once you have activated your game you have 24 hours until it expires. The game should take you around 1 hour.

Step 5: Enjoy the brain busting challenge, and that warm fuzzy feeling that you have donated £5 to our school!
